| *Development Fee | \$100 per family | | | |

EXPLANATION OF FEES

ALL FEES ARE NON-REFUNDABLE, unless stated otherwise

REGISTRATION FEE: This is due at the time of enrollment.

BOOK FEE: This fee is due July 1st, 2007. It is used to pay for student workbooks and serves as a rental fee for textbooks. This fee allows the school to purchase new textbooks as necessary, provide classroom resources materials, and update our library funds.

ACTIVITY FEE: This is a one-time fee due August 1, 2007. This fee is used to cover the expenses of Stanford Achievement testing, field trip transportation, student insurance, a yearbook per student, etc. It covers the cost of elective and computer classes for an elementary student. A computer usage fee is incorporated in the activity fee for a middle school or elementary school student. This fee also entitles F.F.S. students to free admission for all regularly scheduled, home athletic contests (does not include tournaments, play-offs and away games).

TUITION FEE: Those choosing to pay in ten (10) monthly payments will make monthly payments, beginning July 1, 2007. Families choosing the twelve (12) monthly installment plan will make their first payment June 1, 2007. These payments are due on the first of each month. Any account which is fifteen days in arrears will be assessed a late payment charge of \$25.00 and shall be notified that unless arrangements are made to become current by the end of the month, the child(ren) will not be permitted to continue school until the account is paid in full. If the student fails to complete the academic year for any reason, the payment due for the month of disenrollment will be payable in full and will constitute the final payment. (Example: student leaves school on March 10th, the March 1st payment is due in full and becomes the final payment.)

LATE ENROLLMENT FEE: This fee is a one-time fee for families entering Faith Fellowship School after the month of August. A late enrollee will use the 10-payment plan amount and pay the "late enrollment fee" of \$50.00. Late enrollees will pay the tuition for the month, which he/she begins school, and will subsequently pay each month's tuition through and including the month of May.

* **DEVELOPMENT FEE:** The development fee is used to offset the cost of new construction projects and building upgrades. This fee will be assessed in October and is currently set at \$100 per family. Donating volunteer hours to F.F.S. may offset this fee. An amount of \$100 will be credited to the family account if twenty (20) hours of volunteer service is given to the school by May 1st, 2007.
